

## HIRING HATCH HUBS SPACES

We have a wonderful range of spaces which you can hire for either Corporate, Community or Private hire. The table below outlines our published prices for either whole day or half day hire.

We believe these rates are both competitive and great value for money. As a Community Interest Company all income we receive is returned to our Facework employability training programme and providing subsidised spaces for young people.

Hire of the Hatcham Hall and rooms includes use of all AV and PA facilities, lighting, plasma screens and data projectors, flip charts and free tea and coffee. If guests need a licensed bar or food options these are additional and will be covered by staff per hour costs. Each booking will have a Hire agreement and 20% up front deposit taken at start.
