

HATCH HUBS SPACES – FOR HIRE

We have a wonderful range of ‘Hatch’ spaces which you can hire for either Corporate, Community or Private usage. The table below outlines our published rates for whole day or half-day hire. We believe these rates are both competitive and great value for money. As a Community Interest Company all income we receive is returned to our Facework employability training programme and helps us provide subsidised spaces and training in our Hatch Hubs for young people.
